Licenses per location: _____

Additional Location: _____

Licenses per location: _____

DEVICE INFORMATION

Apple/iOS from Intellicheck (See detail on next page) Yes No

Business Provided Device Yes No

If Yes Device Type: Apple/iOS Android

Apple Download codes needed

Android emails for approval

2. Once your information has been received, you will receive an email with registration information. The registration site will be used to manage your subscription and devices.
3. If needed an invoice can be generated for payment processing. If you would like the credit link sent to a different email address, please outline so in the email.
4. After initial payment is confirmed, you will receive an email with download codes for the Age ID mobile application.
5. Once the Age ID application is downloaded, you may begin using immediately with the information you registered online. We will provide initial set up instructions and a general user training guide for reference with the download information.

Pricing and Payment Options

Standard Age ID Software - Monthly Pricing

\$49.99 per location for 1 (one) license
\$9.99 each additional license per location

Device Rental with Age ID Software – Monthly Pricing

\$89 iPod Touch – 16GB with 1 (one) license per location
*WiFi or service connectivity is required and not supplied.

Payments will be made via credit card prior to signing up for the service. We will charge Semi-Annual or Annually in advance. You will be prorated based on your sign-up date to ensure payment alignment. We advise set up through our auto charge site though if needed you will be invoiced with a credit card link for payment and you will have 30-days to complete the transaction or your order may be suspended.

6. Additional training is always available. Please contact Chris Meyer Or Technical Support.

Device Requirements

Apple - iOS devices that have an 8MP camera or higher (iPhone 4S or better, iPod Touch 5th gen with rear camera). It also works with the 4th generation iPad and iPad Mini
